4. Administrative briefings were given to the following full-timers:

25X1A9a

a. [] NPIC, for full-time graduate study in computer science at the University of Maryland. Estimated cost of two semesters of study: \$1,300.

25X1A9a

b. [] NPIC, being sponsored for under-graduate study in Geography at the University of Maryland. Estimated cost of one year of study: \$3,000.

25X1A9a

c. [] OER, for full-time graduate study in economics at American University. The training, spanning two semesters and a summer session, will cost approximately \$2,500.

25X1A9a

d. [] OSR, sponsored for full-time training in advanced economics at the University of Maryland. During this year, [] Chief of the Costs Analysis Branch, will take courses in economic theory, Soviet economics, and information systems management. Cost: \$1,500.

25X1A9a

5. Administrative briefings were also given to:

25X1A9a

a. [] OBGI, for attendance at the Civil Service Commission's "Management of Organizations Seminar" at Kings Point. The two-week program begins 25 July.

25X1A9a

b. [] OL, who will attend the Executive Program in Business Administration at Columbia University. The Agency's second participant in this session, [], OF, will be briefed next week. Both attended the Special Orientation for Senior Officer School Nominees. The six-week program begins 15 August and the expenditure for each student exceeds \$3,400.

25X1A9a

25X1A9a

6. The Agency's nominee for the Army War College's upcoming session, [] FE, spent the week with [] Since he was in [] at the time of the three-day orientation program, individual briefings were arranged for him with [], Chief, CTP,

7. A special report was prepared by AIR [] listing all DOD training used by the Agency in FY 71. The report consisted of facilities used, course titles, length, and participation. (A special note will be added to the report to indicate the Agency's participation in the DOD correspondence course programs.) [] is going to use the report to compare DOD training received by the Agency at no cost with Agency training given to DOD personnel at no cost. Our report indicates the Agency sent 365 students to 34 DOD facilities for 59 courses. Out of all this training, the Agency was billed for only one person; this was an OC employee who attended an Air Force course entitled "Instructional Programmer Course" at
